HAZARD WARNING

Use of the rope courses is associated with certain risks. Clothing may be dirtied or damaged. In the event of a fall, visitors may suffer grazing or bruising at the pressure points of the climbing belts. Visitors to the park are required to secure themselves at all times with carabiners. Failure to comply with this may result in falls, which can be fatal in extreme cases. These risks are, however, minimised provided visitors observe the Park Rules meticulously and obey all the instructions issued by the park officers.
